CIRCULAR TO PARENTS

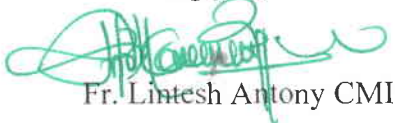

Dear Parents,
Merry Christmas and Happy New year in Advance!

It is said that 'Hope is one thing that can help us get through the darkest of times'. Christmas is the message of Hope. Every next minute is an opportunity, a Hope and a new beginning. I wish you a Christmas filled with Joy and Hope.

I would like to invite your attention for a couple of information before the Christmas Holiday begins:

1. School will be celebrating Christmas on 17 Dec 2021. As the audience for the program is customized, we request students and parents to watch the celebration live on our YouTube channel.
2. Reopening date, refer to Circular 15,(Ref: bmcmi/circular No.15/parents/ 23November 2021)
3. It has been noticed that many students are willing to join the offline classes. These students may join the classes from January 03 onwards keeping note of these points.
 - a) Consent letter should be given to the class teacher when they come to school.
 - b) Make sure that the students who have opted for offline classes be regular and on time.
 - c) Make sure students come to school in full uniform from Jan 3 onwards.
4. PA 3 Examination will be online for Grade I to VIII. The time table will be updated in the school application by the examination committee at the earliest.
5. The Question paper will be sent to the students online at the time of the exam. All Answer sheets will be distributed to students before the date of the examination. The dates will be informed shortly.
6. **Fee defaulter** for the academic year 21-22 shall collect **the answer papers** only after meeting Fr. Principal. These students will get the **question papers** online only after the approval from the Principal.
7. Quiz Program will resume from 18 Dec 2021 onwards. Parents take additional care to motivate students to participate in the quiz program.

Thanking you,

Fr. Lintesh Antony CMI

Principal
