Ref. No. A6/CE/SL/34/2026

To

The Administrator,
Bharathmatha CMI Public School, Chandranagar, Palakkad

Sir/Madam,

Sub: - Structural stability certificate - Reg.

Ref: - Your letter dated 06-08-2026

In reference to the above, please be informed that the above-mentioned procedure had been accepted as a consultancy work. The work was assigned to Dr. Keerthy M Simon, Department of Civil Engineering, of this institution.

Accordingly, an inspection of the existing school building of Bharathmatha CMI Public School, Building No. 14/1192, located in Marutharoad Block Panchayat, was carried out on 20th August 2026 in the presence of your good self, the school teachers, and other concerned officials. The assessment was made by visual inspection of the existing building and non-destructive testing of major structural elements. The following observations are made:

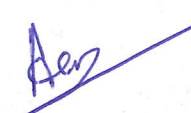

1. The building is a three storied RCC framed construction.
2. Structural cracks, spalling of concrete and visual deflections of load resisting elements are not observed, indicating the building stability as of the present condition.
3. Test was conducted at selected points to ascertain the strength of load resisting elements like beam, slab and columns and the major structural elements were found to have adequate strength.
4. Routine maintenance of the existing structure is to be ensured.

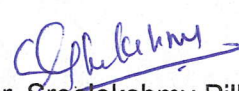

Structural stability certificate is issued as attached here.

Yours faithfully

Palakkad-08
